

# **SIEPS**

**INDUSTRY TRADE ASSOCIATION for  
STRATEGIC PRODUCTS**

**2023**

# SIEPS

---

- a non-governmental, non-profit trade union of industries and experts involved in the production and export of strategic products in all areas related to Dual-Use and Economic Sanctions,
- a network of export control experts across all high-tech sectors: aeronautics, aerospace, automotive, chemicals, biology, cyber-technology, defense, IT, heavy and precision mechanics, nuclear, semiconductors, etc.
- the lobbying and international outreach body for exporters, and the key contact for the French government's export control authority.

# MISSION

---

- Contribute to world peace by fighting against the proliferation of weapons of mass destruction
- Promote fair and competitive international Dual Use trade by harmonizing Export Control laws and regulations
- Assist members in complying with International Economic Sanctions (IES)
- Promoting Responsible Exports
